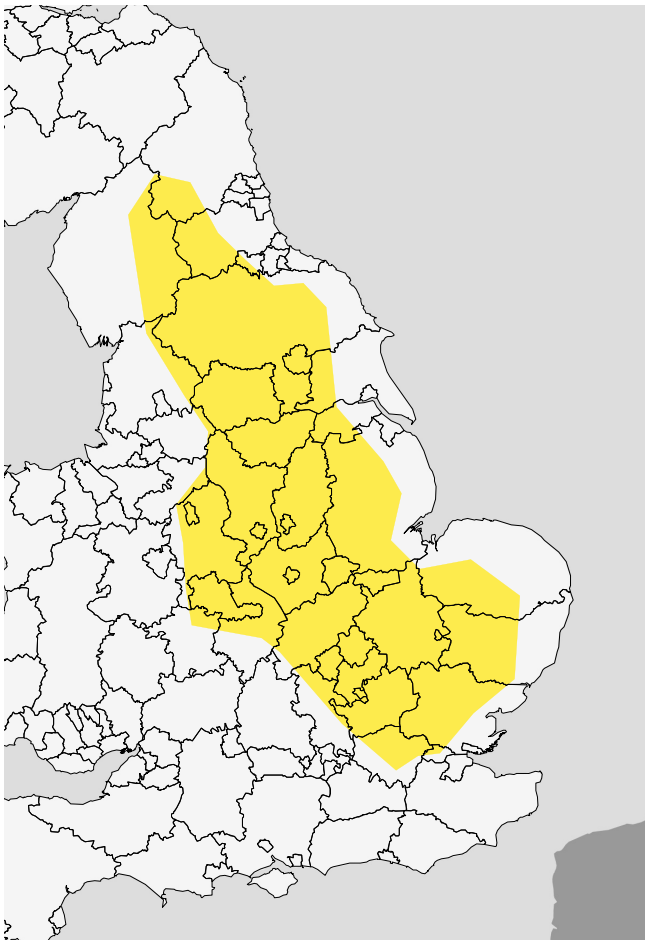
Yellow warning
Thunderstorm

Between
11:30 Thu 11 May 2023 and
19:00 Thu 11 May 2023



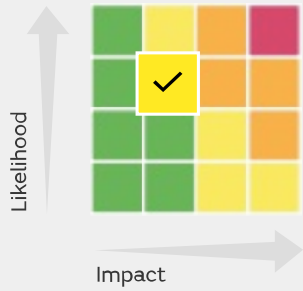
Heavy showers and thunderstorms are likely to cause travel disruption and flooding.

What to expect

- There is a good chance driving conditions will be affected by spray, standing water and/or hail, leading to longer journey times by car and bus
- Delays to train services are possible
- Perhaps damage to a few buildings and structures from lightning strikes
- Some flooding of a few homes and businesses likely, leading to some damage to buildings or structures
- Some short term loss of power and other services is likely
- Probably some damage to a few buildings and structures from lightning strikes

Further details

Heavy showers will develop quite widely later this morning and afternoon, hail and lightning accompanying showers in some places. Some of these showers will be slow-moving and 10 to 20 mm of rain is likely to fall in less than an hour in some places whilst a few spots could see as much as 20 to 50 mm of rain in 2 or 3 hours.



Medium likelihood of low impacts
